Hi There

We're excited to guide you through our comprehensive suite of services designed to empower individuals and strengthen communities. At DCC Industry Group, we combine expertise in allied health, youth, and community support to deliver tailored solutions that respect the unique needs of every individual we serve.

ABOUT US

Founded with a commitment to fostering positive outcomes, DCC Industry Group has grown into a leading provider of integrated support services across Australia. Our multidisciplinary approach ensures that whether it's through direct therapy, community engagement, or educational support, every interaction is built on the foundations of respect, justice, and equality.

We are dedicated to not just meeting, but exceeding, the expectations of those we serve, including individuals, families, and professional collaborators like plan managers, child safety officers, and clinicians.

Join us in our journey to make a meaningful difference, one person at a time.

Dynamic

Community Care

Dynamic Community Care is a registered Indigenous service provider committed to supporting community growth and fostering sustainable futures. Centered around cultural values and traditions, we provide tailored services that resonate with the cultural identities of our clients. Our approach integrates "The Trauma Recovery Model" to address the complex needs of children, young people, and vulnerable individuals, focusing on child protection and NDIS services. Operating across Queensland and expanding throughout Australia, we are dedicated to improving the lives of children, young people, First Nations people, and individuals with disabilities, recognising and respecting their unique differences.
